ABOUT POOL SCOUTS

Pool Scouts delivers premium pool cleaning and maintenance services. We have built strong relationships with our customers who view us as their go to resource for all their pool care needs.

Pool Scouts launched in 2016 as part of the experienced, multi-brand franchising company Buzz Franchise Brands. After market research, it became clear that the pool cleaning industry needed a superior and more professional solution. Pool Scouts was created and added to our family of brands after months of strategic planning and preparation. Buzz Franchise Brands is also the parent company of British Swim School, Home Clean Heroes, Grand Illuminations and formerly Mosquito Joe, which means additional support from a proven management team, complementing our experienced staff and extremely engaged local franchise owners.

Our brand promise is to create Perfect Pools, Scout's Honor, and we take that job very seriously as our certified technicians serve more than 11,000 customers across 18 states last year.

Additionally, Pool Scouts is a proud partner of the Hope Floats Foundation, an organization that provides scholarships for swim lessons to underprivileged children. As an expert in the pool industry, we find it essential to spread awareness of water safety and the importance of learning to swim. To date, Pool Scouts has raised more than \$50,000 providing over 2,500 swim lessons.
